ISSUE BRIEF
June 2018

**Non-Emergency Medical Transportation:
PAST, PRESENT, AND FUTURE OF A CRITICAL SERVICE**

**PART I:
An Introduction to Non-Emergency Medical Transportation**

ABOUT THE AUTHOR
The Center for Health Law and Policy Innovation at Harvard Law School (CHLPI) is a leading research and policy center focused on the health of vulnerable populations. As a focus on the needs of vulnerable populations and their ability to access and navigate the health care system, CHLPI has a long history of research, analysis, and policy development. This issue brief is part of a series of research reports, analyses, and policy recommendations that CHLPI has produced on the topic of non-emergency medical transportation (NEMT). The issue brief is part of a series of research reports, analyses, and policy recommendations that CHLPI has produced on the topic of non-emergency medical transportation (NEMT).

ISSUE BRIEF
August 2018

**Non-Emergency Medical Transportation:
PAST, PRESENT, AND FUTURE OF A CRITICAL SERVICE**

**PART II:
CURRENT TRENDS IN NON-EMERGENCY MEDICAL TRANSPORTATION**
