

Mobilizing, Aligning & Engaging Partners

- Build collaboration across local government, public health, advisory bodies, community organizations, health providers, academia and advocacy coalitions

Uncertainty

- Best practices for cannabis are uncertain
- Good available evidence from alcohol & tobacco
- It will be much harder to tighten up later when the industry has established its stores, products and practices

Next steps

- Webinar on Model Ballot Initiative on taxation in January
- Technical assistance & support
- Join our ListServ and share learning
- Website
