Empowering Ourselves and Our Communities to Transform Health Care

Ruth T. Perot
Executive Director/CEO
Summit Health Institute for Research and Education, Inc.

April 5, 2013
“Give us the tools and we will finish the job.”

Sir Winston Churchill, 1941
Strategies for Health Empowerment

- Keep learning about health care changes and spread the word!
- Partner with our health professionals as informed consumers
- Collaborate and act for community changes that support healthy choices
“We are the change we have been waiting for.”
